## Fall Registration 2011

---

Fall Registration, 2011

Parents,

Welcome to Registration for the 2011 Fall Semester! We will be using the following registration process for the upcoming school year. The **2010 Fall Class Schedule** outlines the classes that are available to students in both Lower and Upper Campuses. The **2011 Fall Course Sign up** is the detailed list that should be used to select courses for your students. Registration cost is \$175 per semester or you may choose to benefit from the special \$300 rate to register for fall and spring through the month of March.

In selecting courses for your student, notice that we are offering a Bible class for each grade level! Because of our high value for the Word of God, students taking two or more classes are required to sign up for these classes. Upper Campus Bible and Chapel are offered during the same time, but on different days.

As you pick a course, write the course hours in the far right column. Add together the total hours being taken on both pages, and write the total number at the end of the course listing. To calculate your tuition, please multiply your total hours by the applicable tuition.

As a special *Thank You* to our returning families, we are providing a **Loyalty Discount**. This discount is available to any student who has taken three or more courses at KACS during the 2009-2010 school year and signs up for 3 or more core academic (English, Math, History or Science) courses. Returning students taking one or two core academic courses and new students taking any amount of courses will be at the standard tuition rate. New families will be eligible for this discount after attending two semesters of classes at King's Academy Christian School. If you have any questions, please feel free to contact the office at (903) 596-9996.

### NEW MUSIC OFFERINGS!

KACS will offer private Piano lessons through Mrs. Thompson, who may be contacted @ 903. 509.1957. Private Bass, guitar, and drum lessons will be offered by Mr. Kirkpatrick, who can be contacted at 903.521.1353. These courses are offered at the school for your convenience and may be applied as an elective credit.

### FINANCIAL AID

Financial Aid is available to families who qualify. If you would like to apply, please do so on- line at [www.kacs.net](http://www.kacs.net) and there will be a link to FAST. FAST serves Christian families by furnishing a confidential family financial needs assessment and by recommending to their school a financial aid grant or scholarship based on the family's ability to pay. FAST reports will be reviewed by the school and grants and scholarships will be given according to availability.

Thank you for choosing to partner with King's Academy Christian School. We know that you have other education options and we are honored that you chose KACS. **King's Academy will always be a great value at less than two-thirds the cost of other Tyler area private schools.** In addition, KACS has the best program for you to directly guide your child's character development while he or she reaches challenging academic goals. Thank you again, and may God Bless your child at King's Academy Christian School.

In Jesus Alone!
