“Education in the Presence of God”

A University-Model School®

Lower Campus Fall Registration, 2010

Parents,

Welcome to Registration for the 2010 Fall Semester! The **2010 Fall Class Schedule** outlines the classes that are available to students in both Lower and Upper Campuses. The **2010 Fall Course Sign up** is the detailed list that should be used to select courses for your students. Registration cost is \$225 for the month of July and will increase to \$250 in August.

In selecting courses for your student, notice that we are offering a Bible class for each grade level! Because of our high value for the Word of God, students taking two or more classes are required to sign up for these classes. Upper Campus Bible and Chapel are offered during the same time, but on different days.

As you pick a course, write the “Tally” number in the far right column. Add all the Tally numbers on both pages, and write the “Total of all course Tallies” number at the end of the course listing. All class costs and fees have been included in the Tally for each course for your convenience.

You will notice that tuition is now based on the total number of Tallies that your student has accumulated. As a special *Thank You* to our returning families, we are providing a **Loyalty Discount**. This discount is available to any student who has taken three or more courses at KACS during the 2009-2010 school year and signs up for 3 or more core academic (English, Math, History or Science) courses. Returning students taking one or two core academic courses and new students taking any amount of courses will be at the standard tuition rate.

We have responded to your concerns regarding the cost of athletics at King's Academy. Our participation costs have been slashed to over half of the original costs. We are excited about how this cost reduction will open up participation in our athletics for families with multiple students and our home school friends.

As another benefit for larger families having 4 or more students, the **multi-child discount** has increased to up to 30%! Thank you for choosing KACS for your education needs!

Financial Aid is available to families who qualify. If you need help paying your tuition, please apply on line at **ffna1.com** and follow the link “*Parents Enter Here*”. Due to costs, this is the only way to apply for financial aid at this time. The Family Financial Needs Assessment website states:

“FFNA serves Christian families by encouraging Christian schools to provide Christian education to all families regardless of their ability to pay. FFNA will furnish a confidential family financial needs assessment and will recommend to their school a financial aid grant or scholarship based on the family's ability to pay.”

Thank you for choosing to partner with King's Academy Christian School. We know that you have other education options and we are honored that you chose KACS. In challenging economic times, even with rising costs, **King's Academy is still a great value at less than two-thirds the cost of other Tyler area private schools**. In addition, KACS has the best program for you to directly guide your child's character development while he or she reaches challenging academic goals. Thank you again, and may God Bless you and your child at King's Academy!
